Dr. Vinod Sinha

Founder, MA, PhD

Welcome

Welcome to ***Vestor College of Management***

In today's rapidly changing global economic environment, having the right qualification is more important than ever.

We aim to provide well-qualified and experienced staff, small class sizes, and well-funded facilities. This allows our students to flourish and succeed – whether it is to build their career or go on to further study.

VCM offers a range of high quality undergraduate programmes in areas such as Commerce, Business, Marketing, Information Technology, Programming and Cloud Computing.

Our vision is to develop an environment where each student can identify their potential and craft themselves in such a way that they excel in their career. In the era of start-up we aim to create a culture of innovation and creative thinking. It is a perfect platform for engaged learning in a vibrant, dynamic, and accessible community.

We work very effectively with students of all abilities to improve their prospects and carry them forward into achieving their academic aspirations, forge successful careers or start their own businesses.

We pride ourselves on taking an individual approach to our student needs and on working hard to enable them to achieve their goals. Our flexible approach means we are always looking for ways to improve what we offer in terms of courses, student support and the Vestor College of Management student experience.

As the Founder of the College, I am responsible for setting and meeting our strategic objectives and for ensuring the quality of our student experience. I look forward to welcoming you to Vestor College of Management in person very soon.

Overview

Vestor College of Management was established by Vestor trust, a non-profitable charitable trust, and recognised by the **University of Patliputra**, Patna.

VCM is one of the few colleges in Patna that maintains a 1:12 faculty-student ratio and appoints faculty members from India and different parts of the world with outstanding academic qualifications and experiences.

VCM is a research-intensive College, deeply committed to its core institutional values of interdisciplinary and innovative pedagogy.

VCM provides world class atmosphere and excellent career opportunities for those who are willing to study in Patna.

VCM brings together professionals with proven track record in national and international companies and academic institutions of repute.

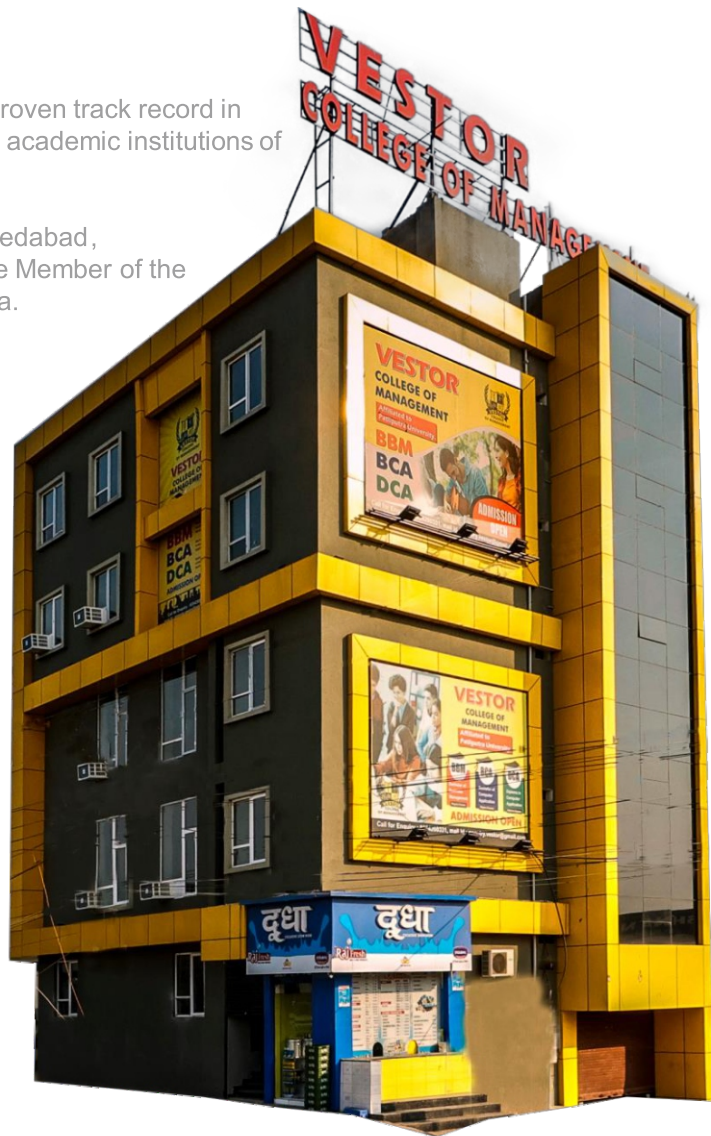

We are proud to have alumni of IIM, Ahmedabad, Hull Business School, England, Associate Member of the Institute of Chartered Accountants of India.

At VCM, we take great pains in mentoring students with sole objective of grooming them to their peak potential so that they can carve out a successful career for themselves and make a positive contribution to the society, business, and industry.

We are dedicated to training students to effectively shape the future and become tomorrow's leaders in an ever-changing business world.

With enterprise and success at its core, VCM offers industry-relevant programmes which focus on developing the practical business skills needed to ensure your professional success.

Start Your Journey to endless opportunities with Vestor.

Our Infrastructure

Classroom – The Theater of Knowledge

The college has spacious, air-conditioned classrooms that provide the most conducive atmosphere for dynamic and focused learning. Our classrooms are fitted with digital projectors, audio visuals and computers to give the best learning experience to the students.

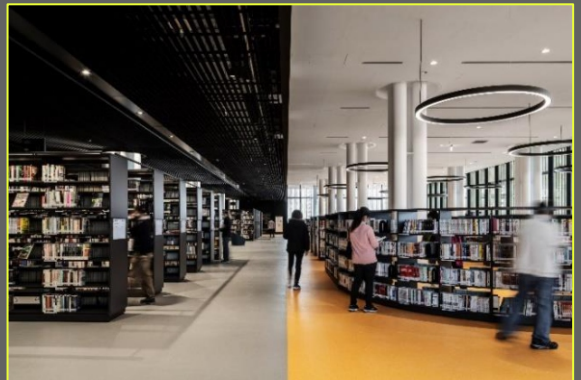

Computer lab – Access to Millions of Opportunities

Vestor College of Management recognizes the key role that Information Technology plays in teaching as well as research. Therefore, it is committed to providing computing facilities of the highest standards. Equipped with the latest technology and sophisticated hardware and software, Our Computer Labs enable students to venture into the technology world with confidence and explore their potential.

Library – The Gallery of Information

The libraries at VCM have numerous books and other resources to equip our students with the latest information and knowledge about developments in their field of study. We are also coming up with digital platform for students to explore, contribute and refer to research work. The portal is extremely easy and user friendly to operate.

Placements & Training

The core focus of job placement programmes is to help students find employment in their field of academic study. Typically led by a faculty member, these programmes provide guidance, career counselling and a range of professional development activities, such as building interview skills, writing a curriculum vitae, arranging pre-placement talks, hosting group discussions and more.

Our experienced lecturers have substantial real-life business knowledge, which is invaluable in coaching and mentoring students to further enhance their employability. Based on actual case studies and business issues, our courses are built on attributes valued by employers in the real world, such as communication skills, decision-making, teamwork and problem solving. This can equip you with the insights and capabilities you need to work in many different areas of business.

ENHANCING OPPORTUNITIES :

By focusing on the skills most valued by employers, our courses enable you to:

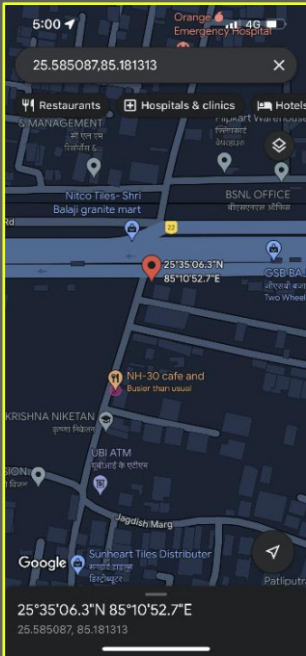

- ▶ Develop key business knowledge and skillsets
- ▶ Train for specific in-demand job opportunities
- ▶ Enhance your career prospects
- ▶ Progress to a higher qualification
